Our School Musical, "Reading Can Take You Anywhere!" looks at the way books can take you on a journey of education, entertainment and amusement. Each class has chosen a book and created a video introducing the story, and finally choreographed a dance that relates to the theme in the book. The production will also include a performance by our school choir, rock band, special dance troupe and of course - the Mordialloc Beach Primary staff act!!

We are very fortunate to have Parkdale Secondary College's Performing Arts Centre as our venue. However, as our school has grown in population since our last performance two years ago we ask that ticket sales be limited to 2 or 3 tickets per family. If there are still any seats available by 9.00am Wednesday 4th September, then families wanting more tickets can purchase them through <https://www.trybooking.com/BEOZU>

Tickets are priced at \$20 per person. Babies/toddlers under 3 may share a seat with an adult. Please inform the school office prior to tickets going on sale, if you require wheelchair or easy access seats due to a disability. If you do not have access to the internet/computer please contact the school office for assistance.

The **students** will be required to be at the venue **between 5:30 - 6.00pm on Thursday 5th September.**

The performance should finish by 8:30pm. More details will be sent home closer to the event.
